Best for Outdoor Use

NEW!

Sightline Hood

- Designed for the unique needs of pharmaceutical manufacturing.
- Best in class panoramic lens for 320° of unobstructed peripheral vision.
- Comfortable fit for all head shapes, won't mess up bears or hair styles.
- Top-down airflow keeps eyes, mouth, and nose comfortable without irritating the eyes.
- APF 1000 protection, NIOSH approved.

Respiratory Protection

EVA Series Powered Air-Purifying Respirator

EVA (Evolutionary Air) represents the latest in cutting-edge Powered Air Purifying Respirator (PAPR) technology designed to provide constant air flow in a compact, streamlined form for added customer comfort.

Designed for Class I, Class II, and Class III hazardous locations
Class I, Division 2, Groups A, B, C, D, T6 (Gasses and Vapors)
Class II, Division 2 Groups F, G (Dusts)
Class III (Fibers or Flyings)
CSA International Certificate 2510928 per ANSI/ISA 2.12.01-2007
NIOSH Approved

SAFETY. SINCE 1898.™

Safety drives everything we do.

Founded in 1898, Bullard is a global leader in personal protective equipment (PPE) and safety solutions, renowned for its reliability and high-quality products. With a rich heritage and a commitment to excellence, Bullard specializes in designing and manufacturing advanced safety equipment, including head, eye, and face protection, respiratory protection, air filtration, body temperature management, fire and rescue helmets, and thermal imaging cameras.

Bullard International.

Our headquarters and manufacturing facilities are located in Kentucky, USA, supported by a full-time global sales team across the Americas, Europe, Middle East, Africa, and Asia-Pacific regions, with international offices in Singapore and Germany.
