

PurMop BLACK®

D3

Cleanroom Mop
Performance Line

Polyester-Microfiber

Item no. 2112054

ISO	3	4	5	6	7	8
GMP			A/B		C	D

The PurMop BLACK® D3 is a cleanroom mop of the new PurMop BLACK® Performance Line. The special developed cleaning material of polyester microfiber loops and the new size ensures an enhanced performance. The D3 in combination with the PurMop BLACK® carbon fiber mop system provides an unprecedented level of ergonomics, performance and safety.

- “BLACK48” – new size suitable for PurMop BLACK® carbon fiber mop systems
- “Enhanced performance” for a greater output area
- “Wings Technology” for optimal corner cleaning
- Touch-free handling – finger loop for safe operation

Application ceiling / wall / floor

Compatible with PurMop BLACK® ERGO-B/SB (cleanroom cleaning systems with dosing unit)

Industry sectors pharma / pharmacy / laboratory / electronics

APPLICATION, USAGE

For single cleanroom application. Recommended for cleaning and disinfection of non-sterile cleanroom areas.
