

PurGuard EV-101

Disposable Cleanroom Goggle

Sterile

Item no. 2961005

STERILE

ISO	3	4	5	6	7	8
GMP			A/B		C	D

PurGuard EV-101 is a disposable goggle for use in cleanrooms and sterile areas. The ultra-soft frame material and adjustable headband offer maximum wearer comfort at all times even when wearing prescription glasses. The special ventilation design and anti-fog coating effectively prevent fogging. The tested and certified PurGuard goggles were developed for critical environments and offer optimal protection both for wearer and the environment.

- Very soft and comfortable frame material
- Robust lens material, resistant to disinfectants
- Direct ventilation at the top, indirect ventilation below
- Anti-fog coating
- Adjustable silicone headband, latex-free
- CE certified
